Dear Parents/Guardians,

Attached is the 2019-2020 Committee Sign-Up sheet. Each year at this time, we ask you to consider volunteering to help serve in one of the active committees in the PTO. **If you have already turned in a form last spring, then it is unnecessary to fill one out again.** However if you missed the last sign-up, please look it over, find the areas that may interest you and turn it in by September 10. Whether you are a mom or dad, working from home or away from home, you are welcome as a volunteer in our PTO. We appreciate any efforts anyone can make to support our parent group! We all lead busy lives and our time is valuable, but as in every volunteer organization, our PTO relies on dedicated individuals like you. We are ordinary people that want to serve our children, our school, and our community to the best of our ability. The goals and vision of our PTO cannot be fulfilled effectively on the efforts of a few, but on the efforts of many joined together for the same purpose...to help build a stronger school community to benefit our children. As a PTO Board, we work very hard to fill committees and make sure all events are planned and take place, but we need the efforts of many parents to continue fulfilling the many events of our school. If you have any questions about our PTO, please contact any of the current officers below. Thank you for your continued support to our parent group! We hope that you will consider joining our team of volunteers!

Sincerely,
Athena Pacek
